

October 2024

Dear parent/carer

New Intervention Initiative

We are pleased to inform you of an exciting new intervention initiative we are introducing at Uxbridge High School to support our students' academic progress and ensure they achieve their full potential.

Starting from Monday, 14th October, Uxbridge High School teaching staff will be running targeted intervention sessions from **3:00pm to 3:40pm every Monday, Tuesday, and Wednesday for all students in Year 11** until their GCSE exams begin in May 2025. These sessions are designed to provide additional learning support, consolidate key concepts, practice exam-style questions, and offer opportunities for revision in areas where students may need further reinforcement.

The intervention programme will cover a range of subjects and will be tailored to meet the individual needs of each student. Our aim is to provide focused support that will help students improve their understanding of topics, complete necessary revision, and enhance their overall academic performance.

Attendance at these sessions is highly encouraged, as they will provide significant benefit in helping students prepare for their upcoming assessments and exams. The Year 11s' next PPE exams are set to commence the week of **Monday, 11th November 2024**.

Please feel free to contact the school, via email to parents@uhs.org.uk, if you have any questions or require further details about the intervention programme. We appreciate your continued support and look forward to seeing the positive impact this initiative will have on our students' progress.

Yours sincerely

R Hunt
Assistant Principal

F Latunji Jones
Head of learning for Year 11
